SUBJECT: MEDIA REPORT MOYO THREATENS STUDIO 7; HARARE

Information Minister Jonathan Moyo has vowed to silence Studio 7, a Voice of America (VOA) news program on Zimbabwe. Delivering a speech at the launch of New ZIANA, a multi-media state organization charged with publishing pro-government and ZANU PF information, last week, Moyo is quoted as saying "Studio 7 will die. It faces death. They think we are sleeping, we want to see where they are going with Studio 7."
